

REMARKS

In accordance with the foregoing, claims 5 and 6 have been amended in substantially similar fashion to incorporate limitations derived substantially from allowed claim 3 and therefore to place claims 5 and 6 in allowable condition, as well.

Claims 7 and 8 have been cancelled, without prejudice.

The basis for the allowability of claims 5 and 6 corresponds to the arguments presented in the prior response relative to the Allowability of independent claim 3 and accordingly the same is incorporated by reference herein.

CONCLUSION

It is respectfully submitted that claims 5 and 6 are allowable and, there be no other outstanding objections or rejections, that the application is in condition for allowance, which action is earnestly solicited.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
